

COMBO BUILDINGS

7.2m x 3m

COMBO BUILDING FEATURES

Our combo buildings feature a strong steel base frame with insulated panel walls and ceilings to keep you warm in winter / cool in summer. The combo buildings also feature vinyl or carpet flooring, sturdy doors with deadbolts and aluminium sliding windows with optional security grilles. Built-in tables, bench seats, sink benches and zip hot water units are also included to suit your requirements. They have built-in lights and are easy to connect on-site.

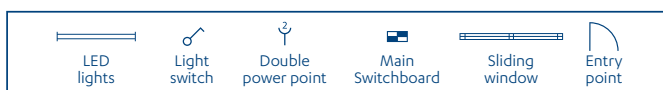

SIZE OPTIONS

Our portable buildings are available in just about any size:

- 6m x 3m office and lunchroom (6 person) combo
- 7.2m x 3m office and lunchroom (9 person) combo

Please note specifications are subject to change without notice.
